50/19 Minutes of the Ordinary OPC meeting held on 9 September were approved and signed by the Chairman.

51/19 Matters Arising from the Minutes:

- a) **Web Development:** The Clerk advised that there is a 'Merlin Exercise' scheduled for 24 October in the Radnor Hall.
- b) **Football:** The Chairman reported positive feedback from the recent Football Match and a copy of the signed agreement has been received from Downton FC. An invoice for the £300 (9mths x £30 + £30 arrangement fee) will be sent.
- c) **Nunton Path:** Cllr Berry reported that the CATG has agreed to allocate £1,500 (subject to an OPC contribution of £375) for a topographical survey to facilitate design works for a funding bid of circa £40,000 to construct a standard footway.
- d) **Speed Indicator Display:** Cllr Berry has sought quotes for suitable equipment which could be funded by Area Board.

52/19 Nunton Recreation Field:

- a) **Play Area Fence:** Of the four options presented by the preferred contractor, it was resolved to replace the entire fence with a Post and Rail with galvanised netting fence at a cost of £1,917 plus VAT.
- b) **Play Equipment:** The Chairman suggested it might be prudent to specify metal legs for the replacement swings. Cllr Poynting advised that metal legs might add £3,000 to the £6,000 already agreed. Agreement was unanimous.

53/19 Any Other Business (for information only): The Chairman suggested OPC could meet more frequently so that meetings would not last so long. Cllr Start suggested making better use of email between meetings. Cllr Berry suggested considering having some adult exercise equipment installed in the Recreation Fields. Cllr Poynting reminded members that PAT testing might need to be done more frequently when the Pavilion is being used more often. Also, the septic tank will need to be emptied more often.

54/18 The Next Ordinary OPC meeting is scheduled for Monday, 9 December 2019.

The meeting closed at 8:18pm
